

# QUALITY, HEALTH, SAFETY & ENVIRONMENT

## Policy Statement

EPSILON UGANDA LIMITED

Epsilon Uganda Limited is involved in Waste Management, Construction Works, Human Resourcing and Placement, Liquefied Petroleum Gas (LPG) installation and maintenance, as well as Cylinder Revalidation.

We believe that effective Quality, Health, Safety and Environmental (QHSE) performance, promotes:

- Continual Customer Satisfaction;
- Improved Employee Wellbeing; and
- Environmental sustainability.

We require the active commitment to our QHSE goals from our staff, contractors and visitors.

### WE ARE COMMITTED TO:

1. Providing highly professional services and superior quality products to our customers;
2. Compliance with all applicable laws, regulations and standards;
3. Preventing injury and ill-health to our staff, visitors, contractors, and other stakeholders;
4. Minimizing our impact on the environment through establishing and running robust pollution prevention strategies; and
5. Communicating our QHSE programs, standards, policies, procedures, and performance, to stakeholders internal and external

We will measure

### AND ACHIEVE THE ABOVE BY:

1. Setting of measurable QHSE performance objectives/targets, and reviewing them at planned intervals;
2. Maintaining our 'Stop Unsafe Work Culture' as an individual obligation and Company responsibility;
3. Allocating the necessary financial and human resources;
4. Periodically seeking structured feedback from our customers; and
5. Maintaining a risk based approach to business decision making, including assessment drawing lessons from previous experiences.
